Comments from Jared Gabrilowitz

Thank you for considering IT Curves for your paratransit software needs. We are pleased to offer you a customized package of our software, designed to provide a straightforward solution that will allow you to begin utilizing the core benefits of transit management software efficiently.

As a Maryland-based client, we are offering a special in-state discount as part of our commitment to supporting local agencies. Additionally, we have applied a year-end discount, valid through August 31, 2026, to help you secure the most cost-effective pricing.
